THE HEX DISPENSERS - Winchester Mystery House
LP/CD (SNATCH!051)

Who else can attract you with moonwalk pop and give you ice age snow storm camping? The loong awaited second album by our all beloved HEX DISPENSERS is here! The Austin top-tenners know how to deliver and feed this enormously growing monster called „following“ with 12 new paranormal hit servings of their wolf spider soup, mexican bat-blood-ice-cream and medium norwegian raindeer eyes. These songs are frosted poison pills of sheer madness, lunacy! Alex Cuervo demon-calling vocals and the dispensers isolated but penetrating guitar sound and rhythm section let us stray aimlessly thru the night. Feel cornered by their genius simplicity, you still may call the WIPERS / MISFITS / RAMONES reference? Guess it's too late pinning the HEX DISPENSERS to the wall when they already got shot to Valhöll for their frenetic garage pop in 2007. As their first s/t album, „Winchester Mystery House“ is recorded by mastermind #1 Mark Ryan (MARKED MEN) - this time mastermind #2 Dave Rahn (CARBONAS) added finishing touches. The album includes the re-recorded sold out singles „Lose my Cool“ and „My Love is Bat“ as far as a DEVO-Cover „Gates of Steel“. Here at ALIEN SNATCH! we love putting records out where we can't name our favorite song. First 106 copies on friggin extraordinary special blue-sprinkled vinyl - die hard mail order freaks only. Complete pressing on 180g vinyl. US-vinyl pressing by our friends at Douchemaster. Yes, they come back for a European Tour. Yes, they are the rocknroll bail-out.

Alex Cuervo : vocals, guitar
Tom Kodiak: guitar
Alyse Mervosh: drums
